ACDAF warmly welcomes new members in Calderdale who have lived experience of disability.

We aim to improve access and inclusion for all people who live, work, study and visit Calderdale.

The Accessible Calderdale Disability Access Forum meets regularly online and face to face.

We have working groups, attend consultations and get involved in local planning to influence change.

We run lots of events through the year and are always open to new ideas.

Have you thought about disabled friendly volunteering?
We have a range of roles and provide training too.

Want to get involved?
We'd love to hear from you.
New members always welcome!
